

POSjet® 1500
Inkjet

Prints graphics, logos, coupons, special offers, you name it.

Choice of four inkjet colors—prints any combination of two!

Convenient auto-cutter option available.

Vertical or horizontal form insertion.

Software Developer's Toolkit available.

PowerPocket® located underneath for secure power supply storage.

Vertically mounted board defies spills.

Each snap-in/snap-out HP cartridge has a 7-million-character capacity.

Patented Insta-Load® automatic paper loader handles large-capacity rolls.

Easy to integrate? Absolutely.

Small footprint—fits just about anywhere.

Whisper quiet, and extremely quick—12+ lines per second.

Inkjet printing that lets you validate various sized one-ply forms, plus print the full front or back of a check.

- Perfect for retail applications, including specialty retail and c-stores.
- Prints attention-grabbing 2-color graphics, coupons, special offers, and more.
- Patented validation feature automatically guides check or form into the printer.
- Surprisingly affordable printer doubles as a customer-retention tool.
- Prints the full front or back of a check.
- Features Hewlett-Packard inkjet technology.

Meet the Ithaca® POSjet® 1500 receipt/validation color inkjet printer. An evolution of our POSjet® 1000 receipt printer, the Ithaca brand POSjet 1500 boasts all of the industry-leading features of the POSjet 1000—but with some key validation features. For instance, it has the ability to validate various sized one-ply forms in standard or rotated print mode, plus print the full front or back of a check. The POSjet 1500 prints in your choice of red, black, green or blue—in any combination of two colors—thanks to 7-million-character Hewlett-Packard cartridges. Engineered for easy, worry-free operation, the POSjet 1500 comes with a standard 2-year warranty, complete with extended maintenance options.
